Heureka Adriatic / Croatia

Croatia is a Mediterranean country bordering Slovenia, Hungary, Serbia, Bosnia and Herzegovina and Italy. Croatia's declaration of independence in 1991 contributed to the disintegration of Yugoslavia on ethnic and religious grounds. Croatia joined NATO in 2009 and the EU in 2013. Shipbuilding and tourism are the main industries. Weak export base, emigration and slow pace of privatization remain significant challenges. E-commerce in Croatia has been growing since the country joined the EU in 2013.
